Your price

What this figure covers, and what your designer will confirm with you.

Published-guide planning estimate

from £19,200

Including VAT | January 2024 examples | selected options and site costs priced separately

This starting planning figure uses Make Room's January 2024 published size examples, plus the published minimum bi-fold allowance for each bi-fold door. These examples are not a current rate card. Your designer prices the cladding, other glazing, overhangs, decking, flooring, electrics and site requirements individually.

Size guide from published examples	**£15,700**
Cladding | Wood, Cedar (all walls)	Priced by your designer
D1 Front: 3 Panel Bifold 2830mm x 2100mm, Aluminium, anthracite frame	**£3,500**
W1 Right: 100% TOV Window 900mm x 1000mm, Aluminium, anthracite frame	Priced by your designer
Roof overhang | Front 450mm	Priced by your designer
Decking | Front 1.20m | Light Grey composite	Priced by your designer
Flooring | Oak laminate	Priced by your designer
Electrics | Standard package	Priced by your designer

Make Room's published price guide
